Feedback Action Taken Report (2018-19)

IQAC receives feedback from its students, parents and alumni based on Teacher performance and Curriculum (Course) and on general expectation. This feedback is structured with a five point scale Excellent, Very Good, Good, Satisfactory, and Unsatisfactory in the form of a questionnaire.

The feedback reports are deliberated in the IQAC meetings; and, inform IQAC, through its subcommittees (as formed under Quality Indicator framework) sort it, analyze it and points out suggestions for improvement. The feedback reports based on the feedback 2018-19 has been deliberated in the IQAC meeting held on 30th July. The IQAC came up with the

Major Suggestions from the students/Alumni/Parents:

- 1) Many parents demanded that there is need of Science Faculty.
- 2) Some students demanded to start various skill development courses.
- 3) Few students wanted at least one hour of computer class.
- 4) Some students demanded to start Surprise test for evaluation.
- 5) Alumni wanted some equipment for disabled students.

The feedback reports along with suggestions/recommendation and then submitted to the principal for further action.

Action Taken Report

The principal called the meeting of all the staff members and apprised them of teaching and college related suggestions and recommendations. The principal orally admired about the teachers whose performance was excellent, very good and good. The principal has also taken decisions and following these are completed in the course of time in concurrence with the Governing authorities.
